Dear Sir Bratic,

Thank you for your note to OLAF from October 15th, 2026, reference Ares(2026)9639360.

The mission of the European Anti-Fraud Office (OLAF) is to detect, investigate and support the fight against fraud affecting the EU budget.

This includes:

- all EU expenditure (structural funds, agricultural policy and rural development funds, direct expenditure and external aid, etc.);
- some areas of EU revenue (mainly customs duties).

In addition, OLAF is also competent to investigate suspicions of serious misconduct by Members of EU Institutions, EU staff and members and staff of other EU bodies, independently of whether they affect the EU budget or not.

Please note that OLAF cannot investigate allegations of:

- fraud with no financial impact on EU public funds;
- corruption which does not involve Members or staff of the EU Institutions and bodies.

Since your allegations neither appear to affect the EU budget nor a possible misbehaviour of Members of the Institutions or of EU staff, OLAF is not competent to treat the matter. Please report your allegations to the competent national authorities.

You can find some additional information about OLAF's activities on the OLAF website at the following address: https://ec.europa.eu/anti-fraud/about-us/what-we-do_en.

If you would like to report fraud which falls into the scope of OLAF, please use the following link: http://ec.europa.eu/anti-fraud/olaf-and-you/report-fraud_en.

Kind regards,

OLAF Single Point of Entry Team (SPE)
